“Be very careful Little Red Riding Hood, the forest is a dangerous place! Always stay on the trail!”

But someone was already watching her from behind a tree...

... it was a very sly wolf. **A VERY HUNGRY ONE!**

... and he quickly went towards grandma’s house.

“Hello pretty girl! Where are you going?”

“I am going to my grandma’s house, she is very ill.”

“You will have to hurry then. I will teach you a faster trail!”

GRANDMA’S HOUSE
When he got to the house, the Wolf knocked...

"It is Little Red Riding Hood" said the Wolf in Little Red Riding Hood's voice.

"Come in, my granddaughter!"

As soon as the Wolf got in the house he ate her up in one mouthful! Yet, he was still hungry! He decided to dress up as grandma and wait for Little Red Riding Hood.

Finally Little Red Riding Hood arrived and she saw something was strange about grandma...

"Grandma, what big ears you have!"

"The better to hear you with, my dear!"

"What big eyes you have, grandma!"

"The better to see you with, my little one!"

"Grandma, what big hands you have!"

"What big hands you have, grandma!"

"The better to hug you with, my sweety!"

"Grandma, you have such a big mouth and your teeth are so sharp..."

"Grandma, you have such a big mouth and your teeth are so sharp..."

"HELP!"

"HELP!"

"HELP!"

"HELP!"

The Wolf was so greedy he ate Little Red Riding Hood in one huge bite. He was so full he fell asleep.
In that moment a hunter was passing by, he heard strange noises coming from grandma’s house. He decided to take a look...

When the hunter saw the Wolf with such a big belly, he understood something had happened. He opened the Wolf’s belly...

“Finally! My poor back!”

... first came out grandma...

“Finally! My poor back!”

... then came out Little Red Riding Hood.

“It is about time, it was dark in there!”

“Let’s teach this greedy wolf a lesson!”

Little Red Riding Hood gathered a bunch of rocks from the garden and the hunter put them inside the Wolf’s belly. He kept on sleeping peacefully. Then the hunter sewed him up.
As soon as the Wolf saw him, he tried to escape, but his belly was too heavy to run fast!

After a while, the Wolf woke up.

"Hmm, I am so full, it feels like I ate rocks!"

"That is right!"
said the hunter.

"8, 9, 10! I am coming to get you!"

"You will never find me!"

The Wolf finally learned his lesson and never ate anyone again.

From then on and Little Red Riding Hood became friends. They often played together and ate delicious snacks that mummy made!
